

TCRMF Regional Safety Seminars

The Texas Council Risk Management Fund (TCRMF) is hosting, at no cost to its Members (non-members are not eligible to attend), Regional Safety Seminars to provide practical solutions to reduce accidents, injuries, and resulting losses. Safety is serious business for Texas community centers. These one-day seminars will cover current safety issues and provide guidance for managing your safety programs.

Regional Safety Seminars are designed for all center personnel with safety responsibilities including safety or risk management staff, project managers, management, and supervisory personnel. The seminars begin at 9:00 AM and conclude by 4:00 PM. Breakfast and lunch will be provided.

Seminar topics include:

- Claims Analysis
- Driving Safety
- Effective Safety Committee Best Practices
- Property Loss Risk Management Resources

Please visit the TCRMF website at www.tcrmf.org for a complete listing of training available, including a description of the topics and links to register to attend.
