

ANNOUNCEMENT

October 5, 2023

TWCARMF Members:

Hello. I am pleased to announce that Diane Ilenstine has joined the TWCARMF staff as Director Pool Administration. In this role, Diane and I will work closely in managing the Fund and working with members and the Fund Board of Trustees.

Diane has 25+ years of experience in risk management and insurance. For the last 12 years, Diane has worked in risk management and compliance roles with Amazon. Prior to Amazon, Diane worked with Approach Management Services managing a risk pool-like workers' compensation program for a large group of

employers. Earlier in her career, Diane handled claims for various lines of coverage including workers' compensation and liability.

You'll have an opportunity to meet Diane at various Fund or TWCA meetings and conferences. You might also see Diane in your office. Please introduce yourself and say hello when you see her.

We're excited to have Diane on board. Please join me in welcoming Diane to the Fund.
